Tickets

Festival Pass

We highly value the work of our Latinx New Play Festival artists. So that we can continue to support the festival and its artists, we suggest that \$50 is a fair value price for this year's festival pass. However, it is equally important to us that anyone who wants to access the festival and the plays presented is able to do so. Feel free to select a price option, between \$0 and \$100, that best suits you and your current circumstances. Donations for the San Diego REP Latinx New Play festival can be made through the San Diego REP website at:
